  - Pre-Calculus (12th grade\*): any Texas Instruments model

### Science classes

- Chemistry (11th grade\*): model TI-30X IIS or better
- Physics (12th grade\*)
  - Protractor
  - Texas Instruments TI-83 Plus graphing calculator

\* These are *typically* the grade levels for these subjects. Be sure to buy the correct calculator for your student's actual subject.

- Students may need additional items at the request of the teacher.
- Students are required to cover their textbooks. Paper bags are free and work well. Damaged or prematurely worn books must be replaced at the student's expense.
- Please mark student's name on all items.
- It will be necessary to replenish the consumable items on your child's list throughout the school year.
